

*Sidhu & Sons Nursery Ltd. is a nursery wholesaler and propagator with over 600 acres for growing premium quality plants in the moderate weather of the Fraser Valley. We produce high-quality broadleaf evergreens, conifers, deciduous shrubs, trees and perennials, including blueberry plants for fruit production.*

We are hiring two **Assistant Growers** to join our team in Mission, BC. This is an excellent opportunity for someone who is eager to learn all there is to know about producing quality plants under the mentorship of experienced growers.

### **What you'll do**

- Supervise and direct workers in the care and maintenance of plants
- Take all necessary steps to grow the best quality plants for all seasons
- Day to day growth, plant care and maintenance
- Monitor and inspect plants, keeping them pest free
- Look after applying the correct pest control treatments
- Ensure proper product placement
- Promote a safe, secure, and respectful workplace

### **Who you are**

You have relevant education, preferably a Diploma or Degree in Horticulture, and are committed to a building your career in the industry. You are fluent in English. Spoken Punjabi or Spanish would be a definite asset.

You also have:

- A valid Class 5 driver's license
- First Aid certificate, or willing to obtain

The ideal candidate has some flexibility with hours due to volume changes during peak and non-peak periods. Regular hours are 7am to 4pm, Monday to Friday.

Please submit your resume to: [hr@sidhunursery.com](mailto:hr@sidhunursery.com)

*We thank all applicants for their interest however only those selected for an interview will be contacted.*

*At Sidhu & Sons Nursery, from start to finish, all of our plants are grown using the latest production methods on-site in our state-of-the-art tissue culture lab and propagation house.
