

*Sidhu & Sons Nursery Ltd. is a nursery wholesaler and propagator with over 600 acres for growing premium quality plants in the moderate weather of the Fraser Valley. We produce high-quality broadleaf evergreens, conifers, deciduous shrubs, trees and perennials, including blueberry plants for fruit production.*

We are expanding and adding an **In-House Sales Rep** to the team in Mission.

### **Who you are**

Most importantly, you are a team player with excellent customer service skills. You have strong problem solving skills and a positive attitude.

You are also:

- highly organized with strong communication skills, both verbal and written;
- proficient in Microsoft Word, Excel, Outlook and PowerPoint; and
- willing to continuously learn about different plants and industry trends.

Some previous experience with wholesale customers in the nursery and landscape industry would be an advantage but is not required.

The successful candidate has some post-secondary education, ideally in sales or marketing.

### **What you'll do**

- Responding to customer inquiries by phone or email
- Contacting current customers and identify new products and potential up-selling
- Updating customer database
- Collaborating internally to improve existing processes
- Entering orders into system
- Maintaining knowledge base on current products and learning about new products
- Assisting with creating promotional materials

Some travel is required, specifically for trade shows and to visit customers, as well as regular visits to Sidhu & Sons Nursery sites to examine orders and inventory.
